## Training Management Division (TMD)

### FY 14 Engineering Projects and Improvements to Training Areas and Facilities

#### FY 14 Award Overview

**Total FY 14 SRM Investment** **\$14M**

**80+ projects executed**

**\*\*ASA & JB combined**

**Total FY 14 Troop Construction** **\$360K**

**25+ projects executed**

**Total FY 14 MILCON/FFR** **\$33.7M**

Title	Cost (\$000)	Type
Consolidated Dining Facility, B-5555	\$11,895	MILCON
Central Issue Facility, B-3101	\$9,024	MILCON
Modified Record Fire Range, RG 34	\$5,200	MILCON
Renovate Building 9013, Range HQ	\$3,173	FFR
Renovate Building 5411, TSC	\$4,400	FFR

#### FY 14 Deferred Projects

Title	Cost (\$000)	Type
Automatic Multipurpose Machine Gun Range, RG 40	\$11,895	FY15 MILCON
Renovate Building 5403 for Officer's Quarters	\$8,000	FFR

#### FY 14 SRM Project Overview

Range Projects (Multiple)	\$2,000.00
MOB Barracks Painting (5600 and 5900 Area)	\$1,589.00
Replace Refrigeration Systems, B-3140	\$1,539.20
MOB Barracks Pipe Insulation (5600 and 5900 Area)	\$1,200.00
Repair Ceiling Beams (Bldg's 5401-04, 5502, 5506, 5509, 5515, 5519, 5520)	\$1,069.00
Replace Bridge Sections, Range Road (9812)	\$829.90
TT Barracks Painting (5900 Area)	\$800.00
Construct 5,000 SF Pre-Engineered Facility (B-9973, RG1)	\$658.60
ILE Barracks Pipe Insulation (5404, 5405, 5406)	\$600.00
TT Barracks Pipe Insulation, 5900 Area	\$590.40
Repave Lot Between 8th St & Augusta St	\$475.10
Construct Small Arms Warehouse	\$378.00
Repair Basement, B-5508	\$288.30
Replace Chiller/Install Power Inlet and Manual Transfer Switch (B-6530)	\$196.80
MOB Barracks Sidewalk Repair, 5600 Area	\$180.50
Repair Restrooms, B-5321 & B-6530	\$144.70
Renovate 5402, 3rd Floor for DFAS	\$137.80
Install Tent Liners in (3) Whiskey Tents at COL	\$124.70
Create Classrooms, B-9620	\$123.30
Construct (3) Static Displays/Canopies, 6515/88/6589	\$111.80
Construct Offices/Install Impound Fence, B-5165	\$96.70
Replace/Repair Roof, B-9978, RG 1	\$95.40
Repair Sprinkler System, B-5418	\$92.70
Install Conduit for ASP	\$92.70
Repair Parking Lot Lighting, B-5326	\$78.50
Reconfigure B-5616 for ASAP/SHARP	\$62.60
Install Parking Lot Lights (Nashville Street, Bldg's 5519-5522)	\$58.60
Patch/Paint Building, B-5646	\$55.80
Replace Ceiling Insulation/Repair Roof, B-5965	\$44.60
Install Parking Lot Lights (B-6043), Repair Range Intercom (B-9013)	\$35.90
Sidewalk Repairs, B-5989	\$27.70
Construct Concrete Pad/Apron, B-9995, RG 1	\$22.00

## ***Training Management Division (TMD)***

**Mr. John Piper**

**Building 5513, Texas Avenue**

**609-562-5149**

### **TMD Functions:**

- ★ **Manage ALL Training Activity**
- ★ **Provide One-Stop Service for Training Customers**
- ★ **Operate the Range Complex (ALL Training Areas)**
- ★ **Operate the Training Billeting Services Activity**
- ★ **Coordinate with JB MDL for services (Food Service/TMP)**
- ★ **Advise on Reserve Component Training Issues**
- ★ **Operate the MSSA to include Officer Education System (ILE)**

### **Guidance and Procedure:**

- ★ **FD Reg 350-3, Training Policies and Procedures**
- ★ **FD Pam 350-3, Ft Dix Range/Training Area Operation Procedures and Usage Guide**
- ★ **FD Form 2203-R1, TASS School Billeting Support Form**
- ★ **ASA Dix ASP External Operating Procedures**
- ★ **Joint Mission Management System (JMMS): On Line Training Request Web Site:  
<https://jmmsweb.us.army.mil/>**
- ★ **Fort Dix Web Site: <http://www.dix.army.mil>**

## **Training Management Division (TMD)** **Integrated Training Area Management**

**ITAM** is a core program of the Army's Sustainable Range Program (SRP) and responsible for maintaining land to help the Army meet its training requirements. This requires understanding and balancing Army training requirements and land management practices.

**Mission:** Maximize the capability, availability, and accessibility of ranges and training lands by minimizing restrictions brought about by external factors.

## **Geographic Information Systems (GIS)**

- ★ Request maps at least 2 weeks in advance.
- ★ 2 Types of Cartographic map products:
  - Topographic
  - Aerial Imagery
- ★ Limit of 2 large prints per unit, per exercise
- ★ Digital copies available (PDF and JPG)
- ★ Range operations and modernization
- ★ JB MDL geospatial data coordination

## ***Training Management Division (TMD)*** **Ammunition**

### **Keys to Successful Ammunition Processing:**

- ★ **TAMIS (Total Ammunition Management Information System)**
  - ✓ **Validate** your FY 15 authorizations
  - ✓ **Forecast** your AMMO (90 day requirement)
  - ✓ **Process** your e-581 to arrive at ASA Ft Dix NLT 5 workings days
  - ✓ **Verify** pick-up appointment date/time with the **ASP (609-562-3850)**

**Mr. Troy Hershberger, Ammunition Manager**  
**Building 5513, Texas Avenue**  
**609-562-6248**  
**[troy.a.hershberger.civ@mail.mil](mailto:troy.a.hershberger.civ@mail.mil)**

**Mr. Guy Foy, Aviation Ops / Ammunition Coordinator**  
**Building 4427, Nassau St**  
**609-562-3451**  
**[guy.a.foy.civ@mail.mil](mailto:guy.a.foy.civ@mail.mil)**

# Range Control HQ's

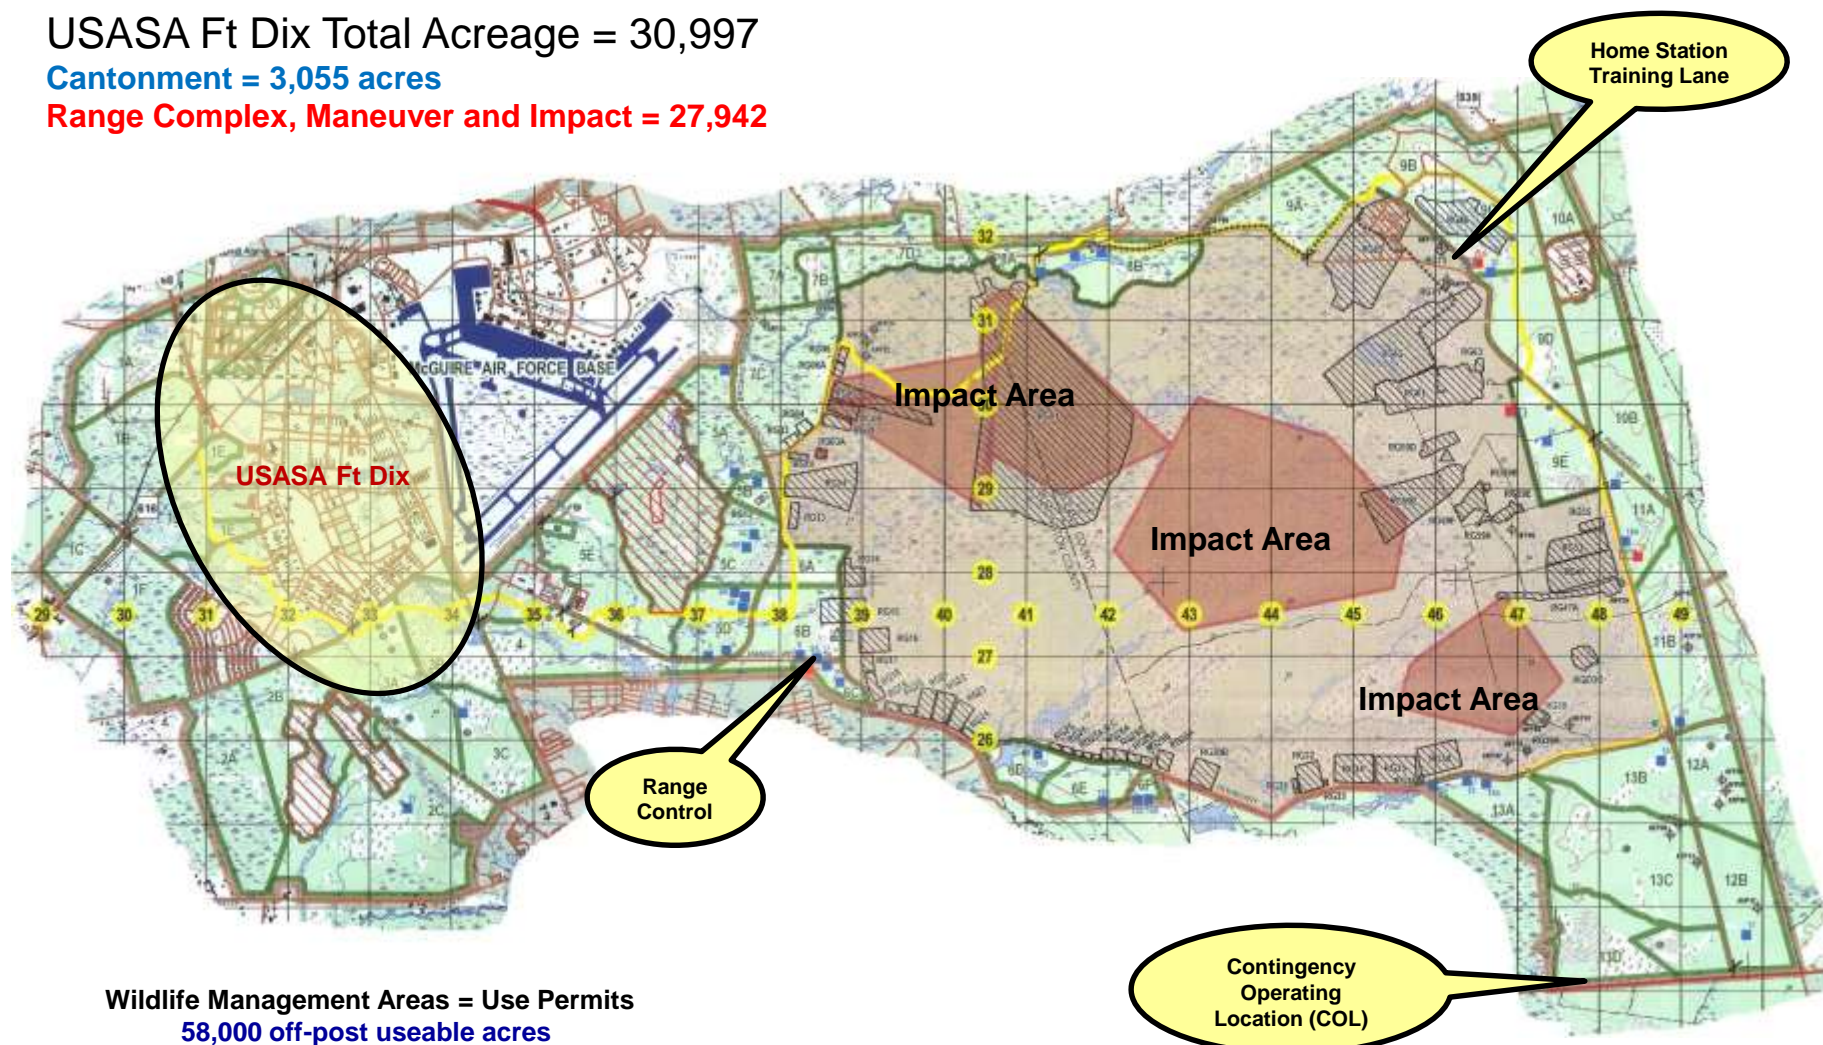

Mr. Douglas Hasemann  
Building 9013, Range Road  
609-562-4640

USASA Ft Dix Total Acreage = 30,997

Cantonment = 3,055 acres

Range Complex, Maneuver and Impact = 27,942

Wildlife Management Areas = Use Permits  
58,000 off-post useable acres

"America's Premier Army Support Activity and Enduring Mobilization Training Center"

# Range Control HQ's

Mr. Douglas Hasemann  
Building 9013, Range Road  
609-562-4640

## Training Support

- ★ **Small Arms**
  - ✓ Zero and Qualification
- ★ **Indirect Fire**
  - ✓ Mortars
  - ✓ Artillery
- ★ **Vehicle and Aerial Gunnery**

## New Projects

- ★ Infantry Squad Battle Course (\$7.4 M)
- ★ Modified Record Fire Range (\$5.4M)
- ★ Multi-Purpose Machine Gun Range (\$9.5M)

## Facility Updates

- ★ Home Station Training Lane / CACTF / Live Fire Shoot House
- ★ Bivouac Classrooms / Facility Renovations

## Planning Considerations

- ★ Training Plans / Coordination Meetings
- ★ Scheduling –Joint Mission Management System (JMMS) “One-Stop-Shopping”
- ★ Advance party
- ★ SAFETY FIRST

*"America's Premier Army Support Activity and Enduring Mobilization Training Center"*

# Range Control HQ'sRange Complex Training Facilities

• Rifle ranges (4-RETS)	31	• Contingency Operating Location	1
• Pistol ranges (3-RETS)	18	• Tactical training areas	48
• Machine gun ranges (2-RETS)	5	• Bivouac sites	36
• Grenade launcher ranges	3	• Drivers training areas	4
• Anti-armor ranges	5	• PT test sites	4
• Demolition range	1	• Land navigation courses	4
• Claymore mines range	1	• Internee Resettlement Site	2
• Tow and dragon tracking	1	• Confinement Training Facility	1
• Tank gunnery ranges (3-RETS)	3	• Obstacle course	1
• Aerial gunnery ranges	3	• Confidence course	1
• Mortar firing points	9	• Leadership Reaction Course	1
• Artillery firing points	9	• Rappel tower	1
• Scaled mortar range	1	• CS chamber	1
• Hand grenade ranges	2	• IED Reaction Range	1
• Convoy Live Fire	1	• MOUT sites	4

## ***Range Control HQ's***

### **Weapons Training Throughput**

All Weapons Training throughput is based upon optimum training conditions:

- 12 hour training day
  - Range operational status
  - Weather
  - Trainer availability
  - Soldier skills
- 
- **Crew Qualification** – 1 Range / 3 Lanes / 36 Crews per day
  - **Rifle Qualification** – 4 RETS Ranges / 56 Lanes / 2,688 Soldiers per day
  - **Rifle Zero** – 835 Firing Points / 10,020 Soldiers per day
  - **MG Qualification** – 4 RETS Ranges / 16 Lanes / 768 Crews per day
  - **MK19 Qualification** – 2 Lanes / 30 Crews per day
  - **Combat Pistol** – 3 RETS Ranges / 39 Lanes / 1,080 Soldiers per day
  - **Grenade Launcher** – 4 Lanes / 192 Soldiers per day
  - **Hand Grenade, Live** – 3 Lanes / 432 Soldiers per day
  - **Light Anti-Armor** – 4 Lanes / 192 Soldiers per day
  - **Sniper Field Fire** – 72 Soldiers per day

# ***Range Control HQ's***

## **Contingency Operating Location (COL) – TAC13D**

### **Unit Support**

- Motor Pools
- Fuel Point
- Parts Storage (PLL)
- Telephone system
- Helicopter LZ

### **Individual Support**

- Hardstand Shower and Bath Facilities
- Troop Medical Clinic (Facility-UNMANNED)
- Living tents with forced air heat, frames, power, and flooring

### **Training Support**

- 2 Combative Pits
- ECP'S/TCP's
- Guard Towers
- 3 Climate Controlled 40x100 GP Shelters
- Theater Scenario Driven Events

*"America's Premier Army Support Activity and Enduring Mobilization Training Center"*

# ***Range Control HQ's***

## **Live Fire Shoot House - Range 59 Alpha**

**Provides team leader with a facility to train and evaluate Unit live-fire scenarios.**

The ASA Dix Shoot House offers 5 breech doors, sound effects, variety of targetry, 25 meter short marksmanship range, and a control building with AAR theatre to review recorded or watch real-time training (14 cameras located throughout the facility). The facility is fully staffed with a team of up 9 members providing service and support.

### **Units are trained and evaluated on:**

- ✓ Ability to conduct tactical movement
- ✓ Engage targets
- ✓ Conduct breaches
- ✓ Practice target discrimination in an urban environment

*"America's Premier Army Support Activity and Enduring Mobilization Training Center"*

# ***Range Control HQ's***

## **Combined Arms Collective Training Facility (CACTF) – Range 59 Echo**

Provides battalion, company, platoon and squad training in tactics, techniques, and procedures in an urban environment with multiple scenarios under simulated full spectrum operational conditions.

### **Site consists of:**

- ✓ 9 multi-story buildings outfitted with props and furniture.
- ✓ Underground tunnel and sewer system
- ✓ Variety of targets
- ✓ Sound effects
- ✓ Smoke and noise simulators
- ✓ Control building and AAR theatre  
(recorded or real-time training on 103 cameras located throughout the facility).
- ✓ Fully staffed with a team of up to 9 members providing service and support.

*"America's Premier Army Support Activity and Enduring Mobilization Training Center"*

# ***Range Control HQ's***

## **Urban Assault Course (UAC) – Range 59 Fox**

**Provides 5 Station for individual tasks and small-unit collective task training in tactics, techniques, and procedures in an urban environment with multiple scenarios.**

**Station #1**  
**Individual and Team Task/  
Technique Trainer**

**Station #2**  
**Squad and Platoon Task/  
Technique Trainer**

**Station #3**  
**Grenadier Gunnery Trainer**

**Station #4**  
**Urban Offense/Defense Building Trainer**

**Station #5**  
**Underground Trainer**

*"America's Premier Army Support Activity and Enduring Mobilization Training Center"*

# ***Training Management Division (TMD)***

## **Aviation Training Opportunities**

- ★ Cold and Hot Refueling OPS
- ★ TRAP OPS
- ★ MEDEVAC / 9 Line
- ★ Diving Fire
- ★ Door Gunnery
- ★ External Load and Sling Load Ops
- ★ UAS OPS
- ★ Fast Rope and Host Ops
- ★ Insertion and Extraction

*"America's Premier Army Support Activity and Enduring Mobilization Training Center"*

## ***Training Management Division (TMD)*** **Aviation Training**

- ★ **R-5001 A/B** is positioned directly East of McGuire Airfield.
- ★ The Western most boundary is 6250 feet from the Easterly edge of Runway 06/24.
- ★ The Eastern edge of **R-5001 A/B** extends to Hornerstown Road just West of Lakehurst's Catapult Runway.
- ★ Within the Airspace there are multiple LZ/PZ's to conduct Rotary Wing Operations. "Stationary/Hard Targets" are arranged in the Impact Area for Rotary Wing Aerial Gunnery.
- ★ UAS Operations (Raven, Shadow, Quad-Copter) authorized within **R-5001 A/B**.

**ALL** Flight Operations **MUST** be coordinated through the Ft. Dix Aviation Section, for procedure and detailed information contact:

**Mr. Guy Foy, Aviation Operations**  
**Building 4427, Nassau St**  
**609-562-3451**  
**[guy.a.foy.civ@mail.mil](mailto:guy.a.foy.civ@mail.mil)**

## FD Pam 350-3, Range Guide

- ✓ Chapter 5 - Range Safety Certification / Cease Fire / UXO
- ✓ App K- Risk Assessment (DOD Requirement, ORM)
- ✓ App L- Training Accidents
- ✓ App M - Ammunition
- ✓ App N - Safety and Weather Precautions

## Safety Briefings

- ✓ Required **prior** to all training events
- ✓ Required **before release or clearing** from training
- ✓ Must include POV SAFETY
- ✓ Talk to your Safety Office prior to departure (current CMD Safety Policies/Procedure/info/literature)

## Emergencies

### **For all training accidents/injuries:**

- ✓ **Call or Radio Range Control 609-562-4600**
- ✓ **Don't move injured personnel except to save life**
- ✓ **Class A or B = secure the area**
- ✓ **Complete Accident Report and Submit to Range Control**

## **Range Safety Office**

Mr. Jerry Leffers  
Building 9013, Range Road  
609-562-4641

## ***Defensive Driving and POV Safety***

Cell phone usage while driving = **Automatic** Magistrate Ticket (Don't Do It!)

- ★ Limit the use of POVs in the Range Complex
- ★ Speed limit signs:
  - White = Non Tactical Vehicles
  - Top **Orange** = Tactical Vehicles under 5 tons
  - Lower **Orange** = Tactical Vehicles over 5 tons

## ***HAZMAT Safety and Certification***

- ★ Ft Dix ASP **will not** issue ammunition/explosives without current certification
- ★ Recertification required **every 2 years**
- ★ For information go to: **[www.ammo.okstate.edu](http://www.ammo.okstate.edu)**
  - Click: **on-line training**
  - Click: **ammo-67-DL**

# **DO NOT DUMP AMMO !!!**

# Training Support Center

Mr. Robert Stodnick  
Building 5411  
609-562-4988

## AR 5-9 Responsibilities:

- Training Support Centers (Devices, simulators, simulations, training aids and exhibits, MILES, and Device fabrication).
- Area of responsibility: Fort Dix, NJ = Connecticut (All counties), Maine (All counties), Massachusetts (All counties), New Hampshire (All counties), New Jersey (All counties), New York (Counties of Albany, Columbia, Delaware, Dutchess, Green, Orange, Putnam, Rennsselear, Rockland, Schoharie, Sullivan, Ulster, and Westchester), Pennsylvania (All counties), Rhode Island (All counties).

## Core Objectives

- TSC Ops/Management
- VISC Equipment Maintenance
- TADSS Management and Maintenance
- Graphics Arts Services
- GTA Issue
- VI Property and Multimedia Services
- DA Photo / Photography Services
- Virtual TADSS Instruction/Operation

## Simulations

- Engagement Skills Trainer (EST 2K)
- Reconfigurable Vehicle Tactical Trainer (RVTT)
- HEAT (HUMVEE) and MRAP Egress Trainer (MET)
- Improvised Explosive Device Effects Sim (IEDES)
- Virtual Battle Space 3 (VBS 3)
- Dismounted Soldier
- Common Driver Trainer (MRAP Version)
- Close Combat Mission Capability Kit (CCMCK)

### TSC POCs:

Mr. Robert Stodnick, TSO, 609-562-4988

Mr. Kevin McDevitt, Project Manager, K-MAR Industries, 609-562-5306

✓ Training Aids, Devices, Simulators, and Simulation (TADSS), Bldg 5505, 609-562-6633

✓ Photography, Graphics, Video, Bldg 5411, 609-562-3340

# **Training Support Center**

## **Training Aids and Simulations**

### **Common Driver Trainer-MRAP Version (CDT)**

- Scheduled through TMD
- TSC IO to run System, or certification for Unit Trainers
- Accommodates 8-9 students in an 8 hour period

### **Reconfigurable Vehicle Tactical Trainer (RVTT)**

- Scheduled through TMD, TSC provides IO to run System
- Virtually replicates realistic combat environments/scenarios
- Units can conduct platoon level training simultaneously
- Customizable terrain databases in a 360 degree virtual vision

### **MRAP Egress Trainer (MET)**

- Scheduled through TMD
- TSC IO to run System, or certification for Unit Trainers

### **Virtual Battle Space II (VBS-3)**

- Scheduled through TMD, TSC provides IO to run System
- First Person Shooter Game
- Practice Kinetic & Non-Kinetic skills
- VBS-2 supports and BCT Infantry Platoon

# Training Support Center

## Training Aids and Simulations

### Dis-Mounted Soldier

- Scheduled through TMD, TSC provides IO to run System
- Virtually replicates realistic combat environments/scenarios
- Customizable terrain databases in a 360 degree virtual vision

### Close Combat Mission Capability Kit (CCMCK)

- Mission Rehearsal Exercise (MRE) System
- CCMCK Training normally takes 1-2 hours
- W/ Face Mask, Unit provides Google and Gloves
- M4/M9/M249 family of weapons
- CCMCK effective up to 30-35 meters
- Unit responsible for ammo

### Grenade Kits

DVC L 09-0063-DIX

- Consists of 10 Grenades
- Actual Colors and Markings
- Actual One to One Scale

### Improvised Explosive Device Effects Simulator (IEDES)

- Multiple Devices
- Realistic Colors and Markings
- Realistic Scale

# Training Support Center

Training Aids and Simulations

## TRAINING SUPPORT CENTER CATALOG

Units are encouraged to view the entire TSC Catalog available on the ASA Ft Dix webpage at [www.dix.army.mil](http://www.dix.army.mil).

Hard Copy and CD format available at TSC (Bldg 5411) and TMD (Bldg 5513).

Catalog is updated frequently with newly added/received Simulators and Training Aids.

# ***Military Schools Services Activity***

**Mr. Claude Schmid**  
**Building 5507, Memphis Ave**  
**609-562-4852**

➤ **Intermediate Level Education (ILE)** is located Buildings 5506 and 5507. The 28 OES classrooms meet or exceed TRADOC and/or CGCS standards/criteria.

Joint Mission Management System - Microsoft Internet Explorer

Address: https://jmmweb.dix.army.mil/portal/default.aspx

Welcome, Sean Downing  
Contact Us |

Click here for the Joint Mission Management System Portal manual

Sort ID	App Name	Description	Action	Favorite
1	Online Training Request	The Online Training Request provides only means for installation training customers to request training resources. Organizations may request such things as ranges, training sites, meals, lodging and other services supplied by the installation. Through the site, customers may receive feedback on status of assignment and will receive email notifications as their request advances through the system. The site manages unit approvals for those command elements that must review subordinate requests prior to submission, as necessary. The site also provides a detailed request status, and functions as archive for past requests.	Access	Add
2	Computer Based Training	The Computer Based Training (CBT) site is a central location for all the online training hosted by the Joint Mission Management System. On the CBT courses are available to be taken any time, and may be customized by the users location or organization. Many different topics of courses may be hosted, video-based, slides or plain text, and all provide a completion certificate and the ability to view the current status of training at any time. Course owners and points of contact also may receive notices when users complete courses or may produce completion reports at any time. If the user is registered in the Personnel Training Manager, those requirements will be updated automatically that are completed on the CBT site.	Access	Add
3	Personnel Training Management	CBT allows for the creation of training requirements and the tracking and management of rosters composed of individuals required to take each class. Administrators can check the status of all class requirements, and view an active list of individuals who are currently enrolling on a specific requirement.	Access	Add
4	CAMP Management	The CAMP Management System allows authorized users to submit Capacity Requirement (CAPR) requests for designated locations and organizations. In addition, the system incorporates the CAPR approval process: it is received by the final approver, budget analyst, DODM.	Access	Add

## Joint Mission Management System Online Training Request Web Site

- ★ Web-based application (accessible via Internet connection)
- ★ Provides structured data entry with validation and automated confirmation of entered requests
- ★ Automatically provides security for individual units to submit and view requests
- ★ Provides approval framework for chain of command to review and approve requests
- ★ Available online status for each request
- ★ Online training available for new users

## **JB MDL Installation Warning Systems**

### ***Giant Voice (GV) Siren System***

***(Disaster Warning = 3-5 Minute Steady Tone)***

(i.e., Thunderstorms, Flash Floods, HAZMAT Release.)

- Ensure all personnel are notified and accounted for.
- Listen to and follow Warning System instructions.
- Possible disaster actions include evacuation, Shelter In-Place (SIP) or relocation to Joint Base shelters.
- Possible attack actions include evacuation, staying indoors to take cover and increasing appropriate security measures.
- **Bottom line, stay informed and take appropriate actions.**

***(Attack Warning = 3-5 Minute Wavering Tone)***

(i.e., Shooter, IED/VBIED, FPCON Increase.)

### ***AtHoc Alert System***

Message Alerting System that sends texts, emails, and phone calls to registered base population

### ***1650 AM Radio Station***

When the lights on posted warning signs are flashing, tune your radio to 1650 AM to receive urgent information. Continue monitoring until the event has been terminated and the all clear announced. NOAA weather radio continuously plays until an urgent message is broadcast.

### ***My Base Guide***

FREE Smartphone app “mybaseguide” for Iphone and Android provides essential information to all personnel on JB MDL. Download and turn on ‘alerts and notifications’ in settings page.

# ***Logistics Readiness Center (LRC)***

## **Army Sustainment Command**

### **Class I, II, III, V, and Transportation and Maintenance**

#### **Unit Movement**

- Assist UMOs with processing of convoy clearances and special hauling permits
- Advise and assist UMOs to determine if RC deployment plans are required

#### **Personnel Movement**

- Arranges individual and group travel priorities, makes reservations and prepares itineraries
- Counsels travelers/groups regarding travel guidelines
- Confers with installation and supported activities on troop movement and participates in preparation and execution of movement operations

#### **Freight Operations**

- Arrange commercial line haul movement of unit vehicles and equipment
- Package, crate and palletize unit equipment for shipment
- Arrange shipment of unitized and small package shipment via commercial and military

# **Training Management Division (TMD)**

## **Medical Plans and Operations**

### **Emergencies**

#### **Unit / Soldiers Occupation and Response:**

- Training Areas: contact **Range Control** (609) 562-4600 / 4650 or FM SINCGARS 34.30, plain text
- On-Post: Dial **911**

#### **ASA Fort Dix ambulances will evacuate to (depending on emergency/ availability):**

- Deborah Hospital, Browns Mills, NJ, 609-735-2950
- Virtual Memorial Hospital, Mt Holly, NJ, 609-261-7045

*It is the unit's responsibility for Soldier accountability and transportation from medical facility back to Fort Dix and the training site.*

#### **Line of Duty (LOD):**

- It is the Unit's Responsibility to complete DA Form 2173 (Statement of Medical Examination and Duty Status), have it signed by Unit Commander and route through Chain of Command
- Required to receive treatment; extremely important document if any follow-up care is required

#### **Preventive Medicine:**

- Lyme Disease exists in the Fort Dix Range Complex. Educate Soldiers on removal procedures (GTA Card 8-5-56). Bring DEET and Permethrin. Attempt to keep tick for identification. Don't delay treatment
- 87<sup>th</sup> Medical Wing Preventive Medicine team will provide Water Buffalo Testing, 609-562-5928.

#### **Class VIII Request:**

- Keller Army Community Hospital, Ms Jacqueline Waite, Chief Supply Operations, 845-938-6630.

#### **Credentialing Requirements:**

- All Health Care Providers must be credentialed by the Commander, Keller Army Community Hospital (KACH), West Point, NY, **45 Days prior to training**, prior to treating any patient(s) at ASA Fort Dix.
- POC: Ms Brenda Ricks, 845-938-0153.

# **ASA Fort Dix Ministry Team**

# **SEXUAL ASSAULT**

**ASA Fort Dix SHARP**  
**Building 5616, 609-562-4375/6343**

## **24/7 Fort Dix Sexual Assault Hotline (609)-562-3849**

**Office: 609- 562-4375/6343**

➤ **Unique Issues for ASA Ft Dix:** Located on JB MDL, high turnover of units training (AT/IDT/BTA/etc), and incidents occurring at or near the end of training cycles. These contribute to potential challenges of engaging resources in a timely manner to investigate the crime and preserve evidence.

### **ASA Ft Dix SHARP Office:**

- Trained and Experienced Staff, directly linked to commanders for rapid and effective response to SA cases
- Provide support to commanders.
- Provide commanders a quick reference guide to assist in responding to sexual assaults.
- Provide/assist with training as requested by commanders on the SHARP Program (Annual training, focus groups, etc.).
- **KEY** - Provide rapid and effective response to all sexual assault incidents on the installation.

### **Units Training at ASA Ft Dix:**

- Provide Unit SHARP personnel contact information to ASA Fort Dix SHARP Office.
- Schedule meeting with ASA Fort Dix SHARP SARC/VA upon Unit arrival at installation.
- Review SHARP Response Guide for JBMDL with Unit Commander and SHARP personnel (assault response procedures and emergency information in case of SA).
